

**2022 HAZEL'S VINEYARD
CHARDONNAY****Review Summary**

96 pts - “The approachable yet finely tuned 2022 Chardonnay Hazel’s Vineyard draws you in with highly complex yet understated aromas of citrus flowers and peach stone against a background of gently toasty oak. Crisp and vibrant, a strong core acidity drives searing focus and mineral intensity through to an extremely long finish. The 2022 is so young, with plenty to look forward to. .”

95 pts - “Pale lemon to straw yellow colour. White peach, roasted cashews and hints of smoky oyster aromas lift from the glass. Palate opens with bright peach and hints of grapefruit, then smoky nuttiness fills in and builds complexity and power. Acidity works well and ensures the flow has drive and persistence right to the very long and pristine finish.”

95 pts - “Planted 1999. Ironstone gravel over clay. Very saline, an almost Jura-like character here, green apple, citrus, mint. It’s fresh and smells of sea breeze and fresh laundry, plenty of flint and fine chalky texture, a little cinnamon and salted almond, bright acid bite, with a finish of excellent length. Oyster shells. Delightful. Lip smacking and delicious Chardonnay of delicacy and distinctive character.”
