

**2022 HAZEL'S VINEYARD  
TEMPRANILLO**

**Review Summary**

**95 pts** – “A super smart wine; all black plums, sarsaparilla with a hint of cherry cola and licorice yet super savoury. Stealth-like tannins, a little grainy and drying on the finish, and bright acidity work across the mid-weighted palate. Bring out the paella and pour me another please..”

**93 pts** – “Aside from the excellent colour, the aromatics are something else: cherry cola, red licorice, briar with freshly rolled tobacco and a touch of mint. It feels rich and ripe yet the refreshing acidity and stealth-like tannins, very much a feature of the variety when done well, keep this on a tight leash. Terrific tempranillo.”
