

**2022 HAZEL'S VINEYARD
ZINFANDEL**

Review Summary

95 pts - “Zin fans, you are going to be thrilled with this balanced yet rich drop. Packs in the fruit and spice flavours matched to plush yet expansive pomace-like tannins. Of course it is full bodied, but there’s also a suppleness, depth and a persistent finish.

93 pts - “Opaque core into a deeply stained purple rim. Blueberry, cola, smoked meat and dark loam aromas. Mouth fills with dark fruits and cola spices, tannins work hard and ensure it all drives with power and precision. As it runs very long we see smoky characters and a deep earthy savoury undertone. There’s a lot to enjoy here and it will reward extended cellaring time.”
