

**2023 McHENRY HOHNEN
LATERITE HILLS CHARDONNAY**

Review Summary

94 pts – “TA blend of four Southern Margaret River vineyards. Hazel’s, Calgardup Brook, Burnside and Chapman. Lime, green mango and papaya, almond, a little aniseed, cedar and spice. It’s juicy and tight, but has a light gloss and savoury edge, quite flinty, a somewhat lascivious bite to acidity, but then it rolls more soft and flavoursome, gently tropical, with excellent length of flavour. It shows the energy and charm of this vintage to full effect. Delicious. I like it a lot. Yum.”

91 pts – “This 2023 Chardonnay delivers excellent purity of fruit with layers of ample rockmelon, peach skin and ripe pear in a fleshy package with subtle oak spice. Compact in style with tropical tones which open out to a supple finish.”

*Angus Hughson, Wine Pilot
October 2024*

92 pts – “The 2023 Laterite Hills Chardonnay is a composition of estate-owned vineyards in southern Margaret River. The wine leads with green almond, white peach, green apple, crushed seashells and a hint of kiwi fruit. The palate is tight and coiled, driven by acidity rather than fleshy fruit. This is an uncomplicated wine, quite linear in its outlay, with good length of flavor and precision. 13% alcohol, sealed under screw cap.”
