

**2023 McHENRY HOHNEN
MARSANNE / ROUSSANNE**

Review Summary

95 pts – “An exercise in precision, with texture and flavour in total balance. Stone fruit and spice, lime zest and a buttery-lemony toffee flavour plus slippery phenolics and mouth-watering acidity. It’s savoury, luscious and compelling.”

93 pts – “The 2023 Marsanne Roussanne is worth looking out for, with beautifully even and refined aromas of melon, lanolin with delicate floral and peach, plus a gentle touch of oak. Beautifully textured with a lacy grip, an ample volume of flavor sets the wine up nicely with a balanced kick of acidity to finish.”
