

**2023 ROCKY ROAD
SAUVIGNON BLANC SEMILLON**

Review Summary

91 pts – “This 2023 Sauvignon Blanc Semillon blend is quite classic but with an injection of class from the team at McHenry Hohnen. It offers up appealing aromas of melon and guava with touches of green herbs and hay, a hint of barrel also on display. Juicy and bright, there is impressive intensity of citrus flavour, well-proportioned old oak providing gentle grip and length to finish.”

90 pts – “Pale lemon hue with a bright nose of cut grass, lime zest and passionfruit. Fresh and vibrant as it runs across the tongue. A light body but with lots of drive carrying lime and passionfruit characters long and finishing with a crispy refreshment.”
