

**2023 McHENRY HOHNEN
SAUVIGNON BLANC**

Review Summary

95 pts – “Light, bright yellow colour, the bouquet has a nutty overlay which points to barrel fermentation, spicy and quite varietal underneath, while the palate delivers intense and concentrated sauvignon flavour of real penetration and persistence. This takes the grape to a higher level: excellent now and I suspect it will build further complexity and detail if given more time.”

91 pts – “This expressive and well-made 2023 Sauvignon Blanc delivers generous aromas of guava and just ripe pineapple with well-matched manicured oak. Midweight with creamy acidity, this is an approachable vintage best enjoyed in the short term.”

*Angus Hughson, Vinous
16 May 2024*

91 pts – “Very spicy and citrusy with upfront acidity, although there’s certainly texture in between. Expect pine lime Splice ice cream, a little woodsmoke, snow peas and lots of fresh herbs. Good drinking here, folks.”
